- Observe dog playgroups and water activities (weather dependent).
- Stage photoshoots for our animal adoption pages.
- Participate in a group game that demonstrates techniques used in dog training.
- Walk dogs through Shelby Farms (weather dependent).
- Make dog popsicles and other healthy treats.
- Clean, organize and support other shelter projects!

CATS LIKE FUN, TOO!

You'll work with a staff member to keep cats and kittens busy and happy by:

- Hosting cat socialization sessions.
- Taking photos of cats for our adoption website.
- Making cat toys.
- Making cat popsicles and other healthy treats.
- Cleaning their living spaces, organizing supplies and helping with other projects!
