

Full Time Veterinary Technician or Assistant Needed

\$15-\$18+ per hour, full time (40 hrs. per week)

The Humane Society of Memphis and Shelby County (HSMSC), with a longstanding tradition of giving hope to homeless and injured animals, seeks to hire a Veterinary Technician or Assistant to join our team.

This is an exciting opportunity to work for a dynamic, growing organization dedicated to saving animal lives and improving human lives through animal companionship! Serving our community since 1933, HSMSC, is a non-profit (501c3), no-kill organization, committed to giving abandoned, homeless, sick, injured and neglected dogs and cats a second chance at life.

Our low-cost community veterinary clinic offers spay and neuter services, routine wellness care, and more, all with state-of-the-art technology, including ultrasound, digital X-ray, and cautery. If you love animals and people, you will feel right at home in our pack!

Experience in surgical preparations/assistance, anesthesia, IV catheterization, client education, and overall veterinary nursing is needed. Recent LVMT graduates are encouraged to apply.

We offer area based competitive compensation. Full-time employees are eligible for benefits including generous PTO, holidays, and discounted animal care services. **Please send a resume and cover letter to Kimberly Gaddis, DVM (kgaddis@memphishumane.org) to apply.** Salary range is \$15-\$18+ depending on experience and certification.
