PUT YOUR PRINT ON THE FUTURE
OF ANIMAL WELFARE IN MEMPHIS
AND SHELBY COUNTY

Your Name, Their Second Chance.

Our Shelter Sponsorship Program offers a meaningful way to support the lifesaving work happening every day at the Humane Society of Memphis & Shelby County. Each space within our facility represents a vital part of our mission — and your sponsorship helps sustain it. Whether you choose to sponsor a veterinary clinic exam room, dog or cat kennel, or play yard, your generosity will be recognized with a plaque in your chosen area.

Saving Lives, serving Memphis and Shelby County since 1933.

Our mission is to save the lives of animals that have been injured, abused, and neglected; to prevent animal cruelty; and to enrich the human experience through animal companionship.

Did You Know that in 2025?

- We averaged **92 spay/neuter surgeries per month**, preventing thousands of uncared-for litters in Shelby County.
- We have **two full-time, licensed veterinarians** and **five full-time, trained veterinary technicians** on our clinic staff.
- We've taken in an average of **76 dogs and cats per month!**
- We averaged just under **70 adoptions per month!**
- We've given out just under **4,300 pounds of free pet food per month** to individual pet owners and area rescue groups through our Community Pet Food Pantry.
- Dog Walking volunteers have given us **100 hours of their time per week**, which provides more time for our dogs to exercise, play in playgroups and spend time outside their kennels!
- Our Cat Adoption Center volunteers have given us **30 hours of their time per week** to engage with our felines and help with many tasks!
- We've partnered and collaborated with dozens of businesses, schools, groups, and organizations from all over Shelby County year-round!

Be a Lifesaver. Be a Shelter Sponsor.

Together, we can give more animals a second chance – and give more people in our community the joy of companionship that only a pet can bring.
